# New Print-on-Demand technology drives efficiency at Jefferson County Motor Vehicle Office

**May 2014 –** Unused license plates are rolling out of the Jefferson County Motor Vehicle Office warehouse, saving Jeffco taxpayer dollars and Motor Vehicle customer time and energy.

Shifting gears in the way counties handle unused specialty license plates, the Department of Revenue expects to use the new Print-on-Demand technology to cut millions of dollars from storage and inventory costs.

The Print-on-Demand program is being implemented across the state through the end of the month. It was developed by the Department of Revenue, County Clerks across Colorado, the Governor's Office of Information Technology and Colorado Correctional Industries.

**Fast Facts**

- Eliminates need for customers to visit MV offices multiple times in order to buy a specialty license plate.
- Pre-made, standard green and white Colorado license plates will still be available at MV offices
- License plates available through Print-on-Demand Program, http://1.usa.gov/1nbEvXS
- More information on the program, http://1.usa.gov/1mmcXxM

**Ordering a Specialty License Plate**

- Specialty license plates will be mailed through the U.S. Postal Service and should arrive within 10 days of ordering.
- An activation code and instructions on how to activate the license plate online or on the phone will be included. If plates are undeliverable for any reason, they will be forwarded to the county.
- A 30-day temporary permit will be automatically issued if a customer requests a specialty license plate and there are fewer than 30 days remaining on their current permit.
