Jefferson County Public Health knows how important it is to get prenatal care for your unborn baby. It is also important to give your children the medical attention and care they need. Jefferson County Public Health's Health Care Access Program can help you apply for Medicaid and Child Health Plan Plus (CHP+) for pregnant women. We are just a phone call away.

303-232-6301

Babies of mothers who do not get prenatal care are three times more likely to have a low birth weight and five times more likely to die than those born to mothers who do get care.

Caring For Yourself and Your Children

Jefferson County Public Health knows how important it is for you and your unborn baby to be as healthy as possible during and after your pregnancy. That is why our Health Care Access program is here to help you get the care you and your baby deserve.

Jefferson County Public Health can assist you applying for Medicaid and Child Health Plan Plus CHP+ for pregnant women. Please call 303-232-6301.

Medicaid for Pregnant Women

To apply for Medicaid for pregnant women you will need the following:

- Proof of pregnancy and due date with the signature of a medical provider.
- Proof of income from previous month
  This can be a pay stub or letter from your employer which includes the date, your previous month's income, phone number and name of the company.
- Social Security number for you and any children you are applying for.
- Birthdates of all the people living in your home that you are applying for.
- Proof of identification
  This can be a Valid US Passport, Resident Alien Card or a US Birth Certificate and a State-issued Driver's License or ID.
- Insurance Card (if you currently have health insurance)
- Have information available for :
  Child care, co-pays, health insurance payments, prescriptions, or medical items.

Once you have your documentation together, contact us at 303-232-6301 and we can help you apply for Medicaid for your pregnancy.

Presumptive Eligibility

JCPH can also help you get Presumptive Eligibility. This means that you may be able to get the care you need while waiting to be approved for Medicaid.

Call 303-232-6301 for more information.

CHP + for Pregnant Women

If you are pregnant, or pregnant and have other children and have been declined for Medicaid, you may be eligible for Child Health Plan Plus (CHP+). This program can get you care for your children through the age if 18 years. There is a small fee and co-pays are based on factors like your income and family size. JCPH can help you apply.
