FOR IMMEDIATE RELEASE

Certified Pool-Spa Operator Courses

The certified Pool-Spa Operator course is for individuals interested in becoming certified in the operation and maintenance of pools and/or spas. **Please call 303-271-5700** for a schedule of classes or visit: the department's web site at: www.jeffco.us/health.

The two-day course is designed to prepare individuals in the basic knowledge, techniques, and skills of pool-spa operations. At the end of the course, individuals will be able to:

- Understand the role of the CPO in pool operations and management
- Minimize physical and biological hazards associated with pools and spas
- Understand the need for proper documentation as it relates to pool-spa operation and liability risks
- Develop a network of resource materials and personal contacts
- Become familiar with local and state bathing codes
- Perform pool calculations relating to water chemistry balance

The registration fee for this course is $260 with a late registration fee of $275. Registration must be received 2 weeks prior to class date.

Please call 303-271-5700 for next available class.

Participants who successfully complete the CPO training and pass the National Certification Examination with a grade of 70% or higher, will become certified.
