18-Aug-16

Series Number: 173
Series Title: Lindsay Ranch Reports and Research
Creating Department: Archives

Summary Description: Reports and research materials related to the historic Lindsay Ranch located on the former Rocky Flats property in Arvada, Colorado. There was an effort in 2000, supported by County Commissioner Pat Holloway, to determine if the property qualified for National or State Historic Register listing, and if so, to ensure preservation of the ranch after the decommissioning of Rocky Flats. This collection is a compilation of materials gathered by former archivist Duncan McCollum. (One slim document box)
