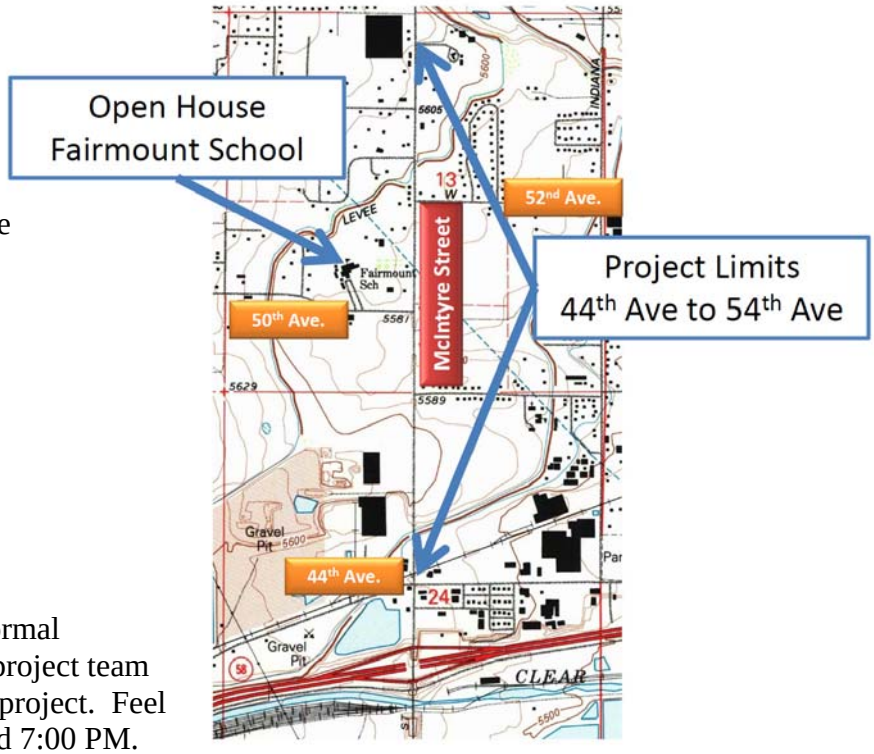
Re: **McIntyre Street (West 44th Avenue to West 54th Avenue)**
PUBLIC OPEN HOUSE MEETING

Dear Resident, Homeowner Association Representative or Business Owner:

The Jefferson County Transportation and Engineering Division and its design engineer, EST, Inc., will be sponsoring a Public Open House meeting to discuss the design of the proposed improvements on McIntyre Street (West 44th Avenue to West 54th Avenue). The Open House meeting will be held at the following location and time:



Fairmount Elementary School Cafeteria
15975 West 50th Avenue
Golden, Colorado

Wednesday, June 18, 2013
4:30 PM to 7:00 PM

The open house will be an open format (no formal presentation will be made). Members of the project team will be present to answer questions about the project. Feel free to drop by any time between 4:30 PM and 7:00 PM.

The purpose of this open house is to present the preliminary design plans for proposed corridor improvements along McIntyre Street from West 44th Avenue to West 54th Avenue. The proposed improvements will include two through lanes in each direction (northbound and southbound), on-street bike lanes, a raised median, curb and gutter and sidewalks. Following this public open house, Jefferson County will proceed with the final design of improvements in the corridor.

We look forward to meeting with you on June 18th at which time we will answer any questions you may have. For more information contact Gary Johnson, EST, Inc., at (303) 798-9445; or Brad Bauer, Jefferson County Transportation and Engineering Division, at (303) 271-8495.

Sincerely,

EST, Inc.

Gary R. Johnson, P.E., PTOE
Colorado Division Manager
