

**PRELIMINARY ASSESSED VALUE BY AUTHORITY**

**PLEASE NOTE:** The 2014 total assessed values shown below are as of May 1, 2014. They change daily as value adjustments attributable to protests are made. These value adjustments will cause the assessed values shown below to decrease, sometimes significantly, prior to the issuance of preliminary certification letters in August 2014 and the final certification letters in November 2014.

No adjustment for the impact of urban renewal districts has been made to these numbers. No adjustments have been made to business personal property values or state assessed values. Such adjustments may significantly affect the amount of revenue any taxing authority receives.
