

**Aging Well**  
In Jefferson County, Colorado

# Jefferson County **Summit on Aging** 2015

## Aging Well in a Healthy Community

**June 4, 2015 7:30 AM – 3:30 PM**

**WaterStone Community Church**

**5890 South Alkire Street, Littleton, CO 80127**

Open to the public, especially those working with seniors or have an interest in Jeffco's aging population.

### **Keynote Speaker**

**Adam Fulton**, Associate Economist with Regional Economic Models, Inc. (REMI) in Amherst, MA. Mr. Fulton has worked on numerous economic and demographic modeling projects with both regional and local planning organizations. He has been involved with economic impact analysis of tax policies and transportation projects throughout the nation. Adam was asked to speak on the economic realities, costs and benefits, of sustaining an ever-growing healthy aging community.

### **Workshops and Presentations**

June 4, 2015 is a day for the Jefferson County community to come together to discuss plans and ideas for Aging Well in a Healthy Community. County and city officials have been asked to talk about how their community is preparing for an increased aging population. There will also be other workshops and presentations focused on Aging Well in Jefferson County.

To register for the Summit and to register for an exhibit table visit:

<http://jeffco.us/human-services/aging-and-adult-services/aging-well-project/>

Early Registration is just \$50. Fee includes conference materials, light breakfast, lunch and snacks.
