

Aging Well Chairpersons Meeting
October 19, 2011

Aging Well Summit Workshops: Reviewed the evaluations. All were excellent. People seemed to really enjoy the conference. Kudos to all the hard work that went into this.

Seed Money: Leadership Committee approved all proposals for the money. Susan will get with each chairperson regarding next steps i.e. if there will be a contract or not.

Implementation Phase, Year 4: Groups have started meeting again. Some folks have dropped off and new ones have joined. There is an increase in energy and folks hope it will continue.

Feedback on year end report: Everyone got Susan their reports. It was easy for her to put them into one report. No changes in report format for next year. It was easy to do and the First Annual Report looks very nice.

Next Meeting is January 18, 2012 at Human Services in the café conference room following the Leadership Meeting.
