Reported:

- The county has received a grant from CDOT to create Local Coordinating Council for Human Services Transportation
- Contracting with the National Research Center to administer the Community Assessment Survey for Older Adults, CASOA. The survey will go out to a random 3,250 citizens. Five city Mayors will receive a letter asking if they would like more in depth information from the survey for their cities. There would be a cost to the city. The cities are: Wheat Ridge, Edgewater, Lakewood, Arvada and Golden.
- There will be a day long Aging Summit to be held in the Spring or Summer

Reminder:

To be sure and look at the county web site for updates on Aging Well groups
