

The Update is published by the Rocky Mountain Metropolitan Airport providing information and updates to airport users, tenants, and others with an interest in the airport. Please forward this information to others in your organization that have an interest or may benefit from these topics. For more information or if you would like to be included in the distribution, please call 303-271-4850 or email mholtzma@flyRMMA.com

## RMMA Update

*A brief on activities at Rocky Mountain Metro Airport / October 2, 2009*

---

**Local Runway Safety Action Team (LRSAT) Meeting**  
**Monday, October 19<sup>th</sup> at 1:00 pm**  
**Mt. Evans Conference Room - Terminal Building**

The Federal Aviation Administration (FAA) has made the reduction of Runway Incursions and Surface Incident one of its top priorities. As part of this program, BJC ATCT, in conjunction with airport authorities, is conducting a Local Runway Safety Action (LRSAT) meeting. The purpose of this LRSAT meeting is to gather the individuals who are actively engage in airside movements of aircraft and vehicles and have an open discussion on how to improve runway safety. The operation of the airport will be discussed as an overall system with input from the control tower, airport management, airport tenants and other customers. Past runway incursions and surface incidents will also be reviewed. As a result of the meeting, an Action Plan will be developed and implemented to improve operations at Rocky Mountain Metropolitan Airport.
