

BOARD OF HEALTH MEMBERS

Cathy Corcoran, President – Cathy is an Arvada resident. She retired from The Children’s Hospital in 2009 where she served as Director of Patient Financial Services for 28 years. She has been a volunteer for Habitat for Humanity, the Horse Protection League, and many health care financial management associations and committees.

Bonnie McNulty, Vice President – Bonnie is a resident of Edgewater. She has been a licensed foster parent since 1965 and has served many public and private organizations dealing with foster parenting and troubled children. She co-founded the Colorado State Foster Parent Association and the Jeffco FPA and has provided executive leadership for three private agencies. She was the Chief Executive Officer of Presidio Inc., administering therapeutic foster-care services with an annual budget of over \$1 million. Bonnie is currently serving as the Mayor of Edgewater, Colorado.

Beverley Dahan, Secretary – Beverley is a resident of Evergreen. She is currently the Vice President of Regulatory Affairs for Total Longterm Care. Prior to taking this position, she was a manager with the Colorado Department of Health Care Policy and Financing, the agency that administers Medicaid. Beverley previously worked as an epidemiologist and program manager at the Colorado Department of Public Health and Environment, and ran a clinic for the Boulder County Health Department. Beverley has a B.A. from CU Boulder in Political Science with an emphasis on Public Administration. She is a member of the Council of State and Territorial Epidemiologists, a volunteer for the Mount Evans Home Care & Hospice and for the 9 Health Fair.

Maureen Sullivan, Member – Maureen is a resident of Golden, and previously Lakewood. She is currently a Senior Associate with Health Care Performance Partners. As a Registered Nurse, Maureen’s career in health care includes experience in quality management, nursing administration and medical-surgical nursing.

Greg Deranleau, Member – Greg is a resident of Conifer. He is the Supervisor of the Oil and Gas Location Assessment group for the Colorado Oil and Gas Conservation Commission. Prior to that, Greg has 15 years of environmental consulting experience, which included environmental site assessments, investigations, and remediation; leaking underground storage tank removal and clean up; environmental project management and technical oversight; and spill prevention for oil and gas clients. Greg has a B.A. in Environmental Studies with a minor in geology from the University of Colorado.
