#### 1. Your current job description could best be described as:

#	Response
1	Evaluator/Counselor
2	Department Head
3	Manager Pulm rehab
4	Research Project Coordinator

### 2. I attended the following forums:

May 2nd, 2008: "Addressing Tobacco in Inpatient Substance Abuse and Mental Health Treatment Settings" presented by Dr. Libby Stuyt		6	55%
November 8th, 2008: "Nicotine Dependence as a True Addiction" presented by Dr. Libby Stuyt		8	73%
January 27th, 2009: "How to Address Agency/Staff Buy-in the Clinical Setting," with panel members Glen Most, Teri Pichot, Joyce Smith		6	55%
April 28th, 2009: "Successfully treating nicotine dependence as part of clients' treatment plan" presented by Teri Pichot and Erik Stone		3	27%

**3.** How useful was the information presented in the session to the work being done to address tobacco in your substance abuse treatment setting? (Check which apply for each Forum you attended.)

Top number is the count of respondents selecting the option. Bottom % is percent of the total respondents selecting the option.	Very useful	Somewhat Useful	Not Useful
May 2nd, 2008: "Addressing Tobacco in Inpatient Substance Abuse and Mental Health Treatment Settings"	10 83%	2 17%	0 0%
November 8th, 2008: "Nicotine Dependence as a True Addiction"	8 80%	2 20%	0 0%
January 27th, 2009: "How to Address Agency/Staff Buy-in the Clinical Setting,"	5 71%	2 29%	0 0%
April 28th, 2009: "Successfully treating nicotine dependence as part of clients' treatment plan"	5 100%	0 0%	0 0%

#	Response
1	<b>January 27th, 2009: "How to Address Agency/Staff Buy-in the Clinical Setting,"</b> I'm a manager and it's an issue I'm dealing with.

**4.** Please describe the status of the following tobacco intervention strategies in your Substance Abuse Treatment program:

Top number is the count of respondents selecting the option. Bottom % is percent of the total respondents selecting the option.	Not Currently Done or Considered	Have Begun Discussions or Planning to Implement	Implementing This to Some Degree	Fully Implementing This Strategy	Not Applicable/Don't Know
Asking all clients about their tobacco use status	0 0%	1 8%	4 31%	7 54%	1 8%
Providing clients with educational materials about tobacco use and cessation	1 8%	1 8%	5 38%	5 38%	1 8%
Providing clients with educational materials about secondhand smoke	4 31%	2 15%	4 31%	2 15%	1 8%
Offering referral information about cessation resources	0 0%	2 17%	4 33%	5 42%	1 8%
Including cessation-related counseling as part of client services	3 23%	3 23%	2 15%	4 31%	1 8%
Implementing protocols/policy limiting where clients may use tobacco while participating in services at your agency	2 15%	0 0%	1 8%	8 62%	2 15%
Implementing protocols/policy addressing tobacco use by staff (incentives to quit, limiting where/how staff may use tobacco while at work)	2 15%	1 8%	2 15%	6 46%	2 15%

**5.** If your program has implemented any of the items listed in the previous question, what was the timeline for these activities?

Set in place over 5 years ago		1	9%
Set in place 3-5 years ago		0	0%
Set in place 1-3 years ago		4	36%
Set in place over the last year		6	55%
<b>Total</b>		<b>11</b>	<b>100%</b>

**6.** What other topics would you like to see presented or revisited in the 2009-2010 grant year? Some previously suggested topics include: differentiating between outpatient vs. inpatient settings in regards to policy, transitioning to a smoke-free/tobacco-free campus or facility, incorporating non-traditional treatments.

Some previously suggested topics include: differentiating between outpatient vs. inpatient settings in regards to policy, transitioning to a smoke-free/tobacco-free campus or facility, incorporating non-traditional treatments.

#	Response
1	There have been many available training and I believe my company has done well with this.
2	unsure at this time we are a fairly new program.
3	Possibly more of a correlation between the use of tobacco and the the relapse with alcohol/opiates
4	Motivational counseling in a detox setting. Resistive Clients and treatment referrals.

**7.** Are you interesting in hosting a forum?

Yes		3	33%
No		6	67%
<b>Total</b>		<b>9</b>	<b>100%</b>

7. Are you interesting in hosting a forum?

#	Response
1	Possibly
2	Arapahoe House did host one and we would do so again.

**8.** We are interested in working with programs that are working to integrate tobacco-related activities and/or policies. If you in interested in what we can do to support you, please let us know and include your contact information. THANK YOU!
