

JEFFERSON COUNTY COUNTYWIDE TRAFFIC VOLUME PROGRAM

**Jefferson County
City of Arvada
City of Golden
City of Lakewood
City of Westminster
City of Wheat Ridge
CDOT**

**COMPLETED BY:
Jefferson County Division of Highways and Transportation
100 Jefferson County Parkway, Suite 3500
Golden, CO 80419**

January 2006

Countywide Traffic Volume Program

The Countywide Traffic Volume Program consists of 575 traffic volume counts from 2000 to 2005 along 75 city and county parkways, principal arterials, minor arterials and state highways. The traffic volume data displayed in this report consists of Average Annual Daily Traffic (AADT), Average Weekday Traffic (AWDT) and 24-Hour counts. Each volume displayed on the countywide traffic map corresponds to the location information contained in the database spreadsheet.

The participants and supporters of this program include Jefferson County, City of Arvada, City of Golden, City of Lakewood, City of Westminster, City of Wheat Ridge and the Colorado Department of Transportation. A special thanks is extended to the above agencies for assisting the Jefferson County Division of Highways and Transportation by providing the traffic volumes for this program.
