

On-Site Restriction Form Letter "B"
Date Prepared: 18 August 1995
NOTICE: This form is not to be altered

Date: _____

Jefferson County Planning & Zoning Department
100 Jefferson County Parkway, Suite 3550
Golden, Colorado 80419

To Whom It May Concern:

I, _____, a registered professional engineer, licensed in the State of Colorado, am knowledgeable in the fields of foundations, soils, and geology. Based upon my knowledge, sound engineering principles and industry practices, I state to Jefferson County to the best of my knowledge the following facts:

1. An on-site investigation for Lot _____, Block _____, of the _____ subdivision has been conducted under project number _____ by _____ consulting engineers and geologists. Based on the recommendations of said subsoil investigation and accepted engineering practice, a foundation design has been prepared for the building proposed to be constructed on the above referenced lot.

2. The foundation plan, included with the construction plans submitted for the building permit for the building to be constructed on the above referenced lot, has been prepared by me. The foundation plan bears my seal, and I have verified that said plan satisfies or exceeds the criteria set forth in the soils investigation described in Paragraph 1 above.
