# Everything but the kitchen sink!

## Comprehensive Jefferson County Planning & Zoning information available on CD-ROM

**W**e're offering a CD-ROM (*for Mac and Windows*) to the public that contains over 300 documents pertaining to Planning and Zoning. All our community and land use plans, current zoning regulations, forms and applications, guides, demographic information, miscellaneous reports, manuals, plus water education for home owners and school kids and a planning and zoning glossary to boot!

A main index gives an overview of everything by topic along with a link to each document on the CD. And now with Adobe Reader (*included on the CD*) you can search the entire CD to find what you are looking for. The content on the CD is updated regularly as information and regulations change.

As a bonus, the CD includes residential building guides, current building code plus storm water management information.

The CD is available from the Jefferson County Planning and Zoning Division at 100 Jefferson County Parkway, Suite 3550, Golden, Colorado or call 303 271-8753 to have one sent by mail. Use the form below to order one by mail. The cost is \$5 each (*plus tax\**) and includes the postage.
