| | <ul style="list-style-type: none">- Flood Recovery- Master Plan- Volunteer Services- Working Groups |

Your voice matters.

Jefferson County Open Space will be creating groups to formally study and address a variety of issues that affect Open Space visitors. These working groups will have a clear purpose and timeline, and will help us formulate strategies and solutions that will provide better experiences for all Open Space users. To learn how you can participate, or receive more information please contact:

Dave Davenport, Outdoor Recreation Management Coordinator
303-271-5925, ddavenpo@jeffco.us
