Douglas Mountain Proposed Acquisition Community Meeting

Jeffco Open Space is currently considering a property proposal for a large tract of land located south of Golden Gate Canyon Road in the vicinity of Douglas Mountain. In 2004, a larger proposal from three landowners received mixed public support for acquisition and was withdrawn. This proposal nominates two of the original properties for acquisition by Jeffco Open Space. The properties total 954 acres of healthy forest and steep slopes.

A proposal presentation will be made by staff at 6:35 p.m. sharp. Following the presentation, there will be ample time to ask questions, review maps and provide your comments.
