

## Jefferson County Historical Commission – Mission and Goals from BCC Resolutions and JCHC Bylaws

From the BCC Resolution 7-22-1974

- Development of local history
- Preservation of historical sites within Jefferson County
- Coordinating the historical activities of Jefferson County
- Work with Historical Societies and Organizations

From the BCC Administrative Policies 5-1-2012

- Purpose: Coordinate historical activities, including the development of local history and the preservation of historical sites within the county.
- Responsibilities:
  1. Encourage and engender stewardship of the history of Jefferson County
  2. Coordinate the historical activities of Jefferson County and act as a liaison with national, state and local historical organizations
  3. Prepare and disseminate historical materials about Jefferson County's past
  4. Promote and support various historical and educational programs
  5. Identify, research and actively participate in the preservation of historical sites in Jefferson County
    - a. Assist the appropriate government entities in developing procedures or guidance for identifying and/or designing and preserving official historical sites in Jefferson County
    - b. Assist property owners with the identification, designation, and preservation of historical sites in Jefferson County

From the JCHC Bylaws 12/2012

Purpose: To bring together those people interested in history, and especially in the history of Jefferson County
