

Amendment to the Transportation and Ancillary Regulations

The County amended the transportation and ancillary regulations to:

- Align with current engineering standards and practices and adopted County Transportation Plans
- Include bicycle and pedestrian circulation as an integral part of the overall transportation system
- Adhere to current adopted fire apparatus access code requirements
- Clarify and simplify the regulations and to conform to current State and Federal Regulations

The regulation changes entail four revised regulations:

The Transportation Design and Construction Manual in its entirety

Land Development Regulation – sections 4, 8, 15, 16, and 33

Zoning Resolution – sections 1, 2, 15, 16, 17, 30, and definitions

Storm Drainage Design and Technical Criteria.

Adopted by the Board of County Commissioners November 24, 2015
