

BOARD OF HEALTH MEMBERS

Bonnie McNulty, President – Bonnie is a resident of Edgewater. She has been a certified foster parent since 1965 and has served many public and private organizations dealing with foster parenting and troubled children. She was a charter member of the Colorado State Foster Parent Association and the Jeffco FPA and has provided executive leadership for three private agencies. She was the Chief Executive Officer of Presidio Inc., administering therapeutic foster-care services with an annual budget of over \$1 million. Bonnie is currently serving as the Mayor of Edgewater, Colorado.

Maureen Sullivan, Vice President – Maureen is a resident of Golden, and previously Lakewood. She is currently a Senior Manager with Health Care Performance Partners, a division of Med Assets. Prior to that, Maureen served as the Director of Quality & Lean at Exempla Lutheran Medical Center. As a Registered Nurse, Maureen's career in health care includes experience in process improvement, quality management, nursing administration and medical-surgical nursing.

Greg Deranleau, Member – Greg is a resident of Conifer. He is the Supervisor of the Oil and Gas Location Assessment group for the Colorado Oil and Gas Conservation Commission. Prior to that, Greg has 15 years of environmental consulting experience, which included environmental site assessments, investigations, and remediation; leaking underground storage tank removal and clean up; environmental project management and technical oversight; and spill prevention for oil and gas clients. Greg has a B.A. in Environmental Studies with a minor in geology from the University of Colorado.

Lane Drager, Member- Lane is a longtime resident of Jefferson County. He has been a public servant for almost twenty years, working in the environmental health field on state and local levels in both Illinois and Colorado. In addition, Mr. Drager is an expert in onsite wastewater treatment systems and has extensive knowledge in all areas of environmental health. He also has working knowledge in many other areas of public health, including community health issues and maternal and child health. Mr. Drager currently (July 2015) works for Boulder County Public Health in the Division of Environmental Health as the Consumer Protection Program Coordinator. Mr. Drager received his Bachelor of Science in Civil & Environmental Engineering in 1994 from the University of Illinois at Urbana-Champaign.

Kimberly Krapek, DNP, CNS, RN- Dr. Kimberly Krapek is a health care professional with 35 years of experience directing health care delivery and development in chronic disease management. She successfully designed, implemented and sustained a private clinical practice in Littleton, Colorado focused on diabetes education, management and research for many years. Dr. Krapek is currently the Scientific Affairs Manager for Abbott Diabetes Care, a global company developing and selling state of the art glucose monitoring technologies, and has been in that position for over 10 years. Among her many accomplishments, Dr. Krapek received a Doctorate of Nursing Practice Excellence Award for Advanced Practice Nursing in 2015 from Regis University. She also received the 2014 Honor Society of Nursing Sigma Theta Tau International Induction in 2014. A resident of Jefferson County for 11 years, Dr. Krapek is passionate about nursing, particularly geriatric care and looks forward to using her extensive experience in health care delivery, research, education and public speaking to benefit the Jefferson County community.
