

Love Them, Protect Them, Immunize Them

Immunize Your Child Now!

Immunizations are the most important action parents can take to protect their children against 13 serious childhood diseases—including the flu.

Make sure your children are ready for kindergarten entry.

5/4 DtaP (diphtheria, tetanus, pertussis)	4 Hib (haemophilus influenza b)
4 PCV13 (pneumonia)	2 MMR (measles, mumps, rubella)
4/3 IPV (polio)	2 HAV (hepatitis A)
3 HBV (hepatitis B)	2 Varicella (chickenpox)
Influenza	

Please call your doctor for an appointment. If you do not have a family doctor, you can receive these shots at the Jefferson County Public Health at:

303-232-6301

Immunization recommendations are subject to change.
