RE: McIntyre Street – W. 52nd Ave. to W. 60th Ave.
Public Open House Requesting Citizen Input

Dear Resident or Business Owner:

The Jefferson County Transportation and Engineering and its Design Engineer, Muller Engineering Company, Inc. will be sponsoring a Public Open House to discuss the Preliminary Design of proposed improvements on McIntyre Street between W. 52nd Ave. and W. 60th Ave. The time and the place for the open house are as follows:

**Place: Drake Junior High School
12550 W. 52nd Ave.
Arvada, CO**

Time: Wednesday, March 22, 2017, 4:30 PM to 6:30 PM

The open house will be an “open hours” format (no formal presentation will be made). Members of the project team will be present to answer questions about the project. Feel free to drop by any time between 4:30 PM and 6:30 PM. A map is included at the bottom of this letter showing the location of Drake Junior High School.

The purpose of this open house is to present preliminary design plans for the transportation improvements along McIntyre Street between W. 52nd Ave. and W. 60th Ave., and to solicit your input on the preliminary design plans. The proposed improvements include two through lanes in each direction (northbound and southbound), a new bridge structure over Van Bibber, on-street bike lanes, a raised median, and sidewalks. Following this public open house, Jefferson County will proceed with the preparation of construction plans. Construction is anticipated to begin in the spring of 2018.

Your questions and comments are welcome. We look forward to meeting with you on March 22nd. For more information contact Nancy Lambertson, Muller Engineering Company, Inc., at (303) 988-4939 or Brent Soderlin, Jefferson County Transportation and Engineering Division, at (303) 271-8462.

Sincerely,
MULLER ENGINEERING
COMPANY, INC.

Nancy Lambertson, P.E.
Project Manager
