

JEFFERSON COUNTY PUBLIC OPEN HOUSE MEETING

W. QUINCY AVENUE (TUFTS TO SIMMS) - ROADWAY and LANDSCAPING IMPROVEMENTS

The Jefferson County's Transportation & Engineering Division and its Design Engineer, Merrick & Company will be sponsoring a Public Open House (no formal presentation will be made). Feel free to drop by any time between 4:30 PM and 7:00 PM. Use the west entrance for easier access to the cafeteria.

The purpose of this Open House will be to present and discuss the proposed roadway and landscaping improvements for West Quincy Avenue from Tufts to Simms and to update the public on the project's progress and schedule. The proposed improvements include roundabouts at Union, Simms, and Nassau (in the future), traffic calming, on-street bike lanes, medians, sidewalks, water quality, storm sewer and drainage improvements as well as irrigated landscaping. Roadway construction will begin 2019 and completed in 2020. Landscaping improvements are scheduled to be completed in 2020.
